He has put a new song in my mouth—Praise to our God;
Many will see it and fear, And will trust in the Lord.

A Letter from Pastor Josh.

Dear New Song Church Family,

2026 was an “above and beyond all we could ask, think, or imagine” kind of year. As the 2025-26 school year kicked off, we felt boxed in with nowhere to grow. We were overflowing into a lobby that wasn’t really designed for overflow.

We looked at several spaces around the city, wondering if we needed to move to a bigger facility, but nothing seemed promising.

We were frustrated at times, but trusting that the Lord would come through for His bride and show us what to do. And then the Lord began to show us just how much space we really did have at 3600 S. Broadway.

He challenged us to reimagine the space we already had and to acquire more of the building we had already invested so much in and had come to see as such a strategic location.

We put a plan before the church: knock down walls, reorient the sanctuary, buy more chairs, and take over additional space that needed to be completely remodeled. And the church pulled together in faith and generosity and **answered the call!**

We've made space for more people to be a part of this lively and lovely local body of Christ. Sarah and I, along with all of the New Song staff, are just in awe of what the Lord is doing among our body. You can sense the pleasure of the Lord as we have contended for unity and transparency. I am careful to use the word revival. But when I hear the way Tim Keller described it, I can't help but think this is what we are living into...

"Revival happens when a group of people who assume they already know the gospel realize they do not fully grasp it, leading them to cross over into a living faith."

We have witnessed people look again at the cross of Jesus Christ and really hear the good news of the gospel and cross over into a living faith!

It's interesting that 12 years ago, when we were working on our future church website, we wrote about the church we could see... the church that had not even been planted yet.

WE SEE you living faith. You possess a faith that is alive, energetic, and working. Your faith is based on a real relationship with Jesus and has an outward effect on your lives and the lives of the people around you.

WE SEE you sharing love. You are always looking for ways to serve and give because love motivates you. God is love, and God is in you. You have a surplus of love in your lives, and you spend it in acts of service to others.

WE SEE you building hope. You have a hope in Jesus that is constant in all seasons. You persevere through trials and come through them better and more in love with the Lord. You are content to wait for things unseen. You are anchored to the Unchanging One.

WE SEE you abandoning yourselves to God. We see your broken places restored. We see your weaknesses becoming your strengths. We see your wounds healed. We see your families as living messages that testify to the goodness of the Lord. We see you blessed so you can be a blessing. We see you experiencing freedom in the presence of the Lord and burdened for those who are not. We see you growing in every area of your life.

WE SEE you as a body of believers whose lives echo God's words. You will be a pattern to other churches. You will be the talk of the town, the state, and eventually the nations, as the transformation that occurs in your lives and the fruit you are producing become undeniable. From you, the word of the Lord will sound forth.

WE SEE you singing a new song, a song of praise to our God. OTHERS SEE what the Lord has done in you, and they will put their trust in HIM.

Revival is here.
Jesus, be the name that gets all the glory!

Pastor Josh

New Song Financials.

At New Song Church...

we believe in being transparent about our finances because what God entrusts to us deserves to be stewarded with integrity and accountability. We want you to see where your generosity goes and how, together, we're advancing the Kingdom.

Answer the Call '26 *Update*

$403,433.11 Given through Answer the Call Offering.

$71,933.11 Over and above original goal.

Because of the cheerful generosity of the New Song family, we exceeded our Answer the Call goal and were able to make a significant investment in the future of our church.

$403,433.11 Given through Answer the Call Offering.

$169,804.35 From existing church resources.

$573,237.46 Total invested.

How it was *invested*

Missions & Outreach / Sanctuary Expansion
Lobby Renovation / Annex Phase 1

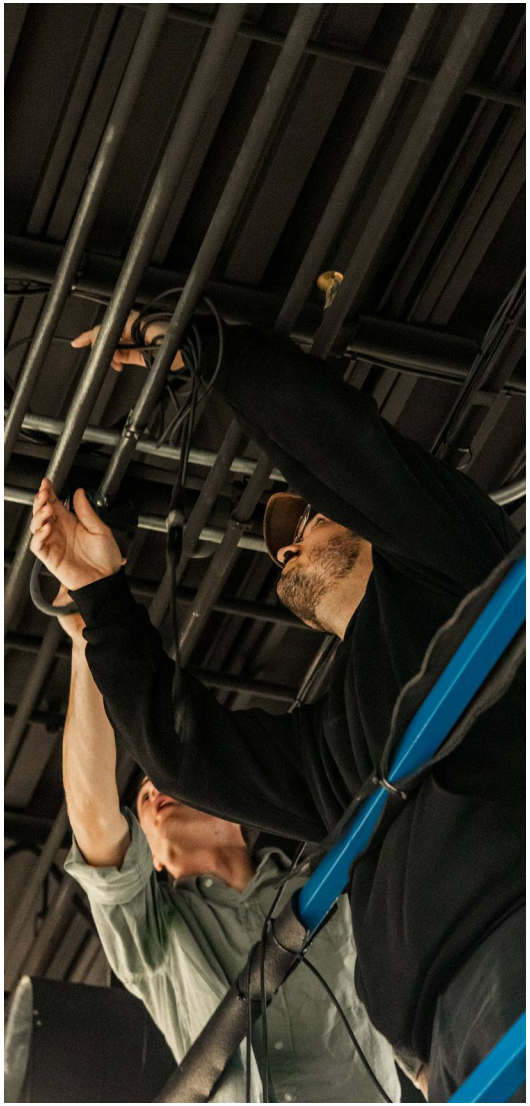

Missions & Outreach.

We put our desire to answer His call into action as missionaries, churches, and organizations on five continents were supported by New Song Church. We were able to scholarship a missionary being sent out by New Song in 2027 and sow into organizations like Behind the Walls and HIA's The Healing Center in our metro. This offering also supported Serve Saturdays and Go Week, reaching our city through Neighborhood Network Sports Outreach and Sojourners Refugee Ministry all year long.

Original Budget: $50,000.00

Final Investment: $50,000.00

Sanctuary Expansion.

We expanded our sanctuary to make room for more people to worship, hear the Word, and encounter the presence of God. What was once a 265-seat room now gives us space to welcome more than 400 people into a service, and room for New Song to continue growing.

Original Budget: $169,500.00

Final Investment: $185,524.16

Lobby Renovation.

Our lobby was completely renovated to create a more welcoming and functional space for connection and Kingdom Community. More than an entrance to the building, we want our lobby to be a place where people linger, relationships grow, and newcomers begin to feel at home.

Original Budget: $36,000.00

Final Investment: $58,495.50

Annex Phase 1.

Our expansion into the New Song Annex created new classrooms, meeting spaces, ministry offices, executive offices, and shared spaces designed to serve our church throughout the week. These spaces give us more room for prayer, discipleship, teaching, ministry, leadership development, meetings, and the everyday work of serving our church family.

Original Budget: $76,000.00

Total Spent as of 9/30/26: $205,082.21

Remaining to Spend: $74,135.59

Final Investment Will Be: $279,217.80

Debt-Free Renovations.

As construction progressed, the scope of the Annex project **grew significantly beyond our original estimate.** Rather than taking on debt, stalling the progress, or coming back to New Song to ask for additional contributions to complete Phase One, **we chose to use resources God had already entrusted to us.**

In addition to Answer the Call giving, **our elders approved the use of $169,804.35** from existing church resources to complete the renovations. These resources allowed us to finish the work without taking out a construction loan or carrying renovation debt into the future.

The increase from the original $76,000 budget to the projected final investment of $279,000.00 was primarily **due to unforeseen building conditions and city requirements discovered after construction began.** Significant issues with existing plumbing, electrical, HVAC, and ductwork systems had to be corrected, along with work completed by previous tenants that had not been properly permitted or brought up to code. Because the church operates as an assembly occupancy, additional fire protection, emergency exits, and safety upgrades were also required.

These requirements meant that portions of Phase 2 had to be completed during Phase 1 to receive city approval. The increased investment was therefore largely the result of necessary building improvements, code compliance, and work originally planned for a later phase rather than cosmetic upgrades or changes in preference.

Through extraordinary generosity, careful stewardship, and resources God had already provided, **we were able to make a significant investment in the future of New Song without borrowing to do it.**

Answer the Call 2026

$403,433.11 given.

$573,237.46 invested.

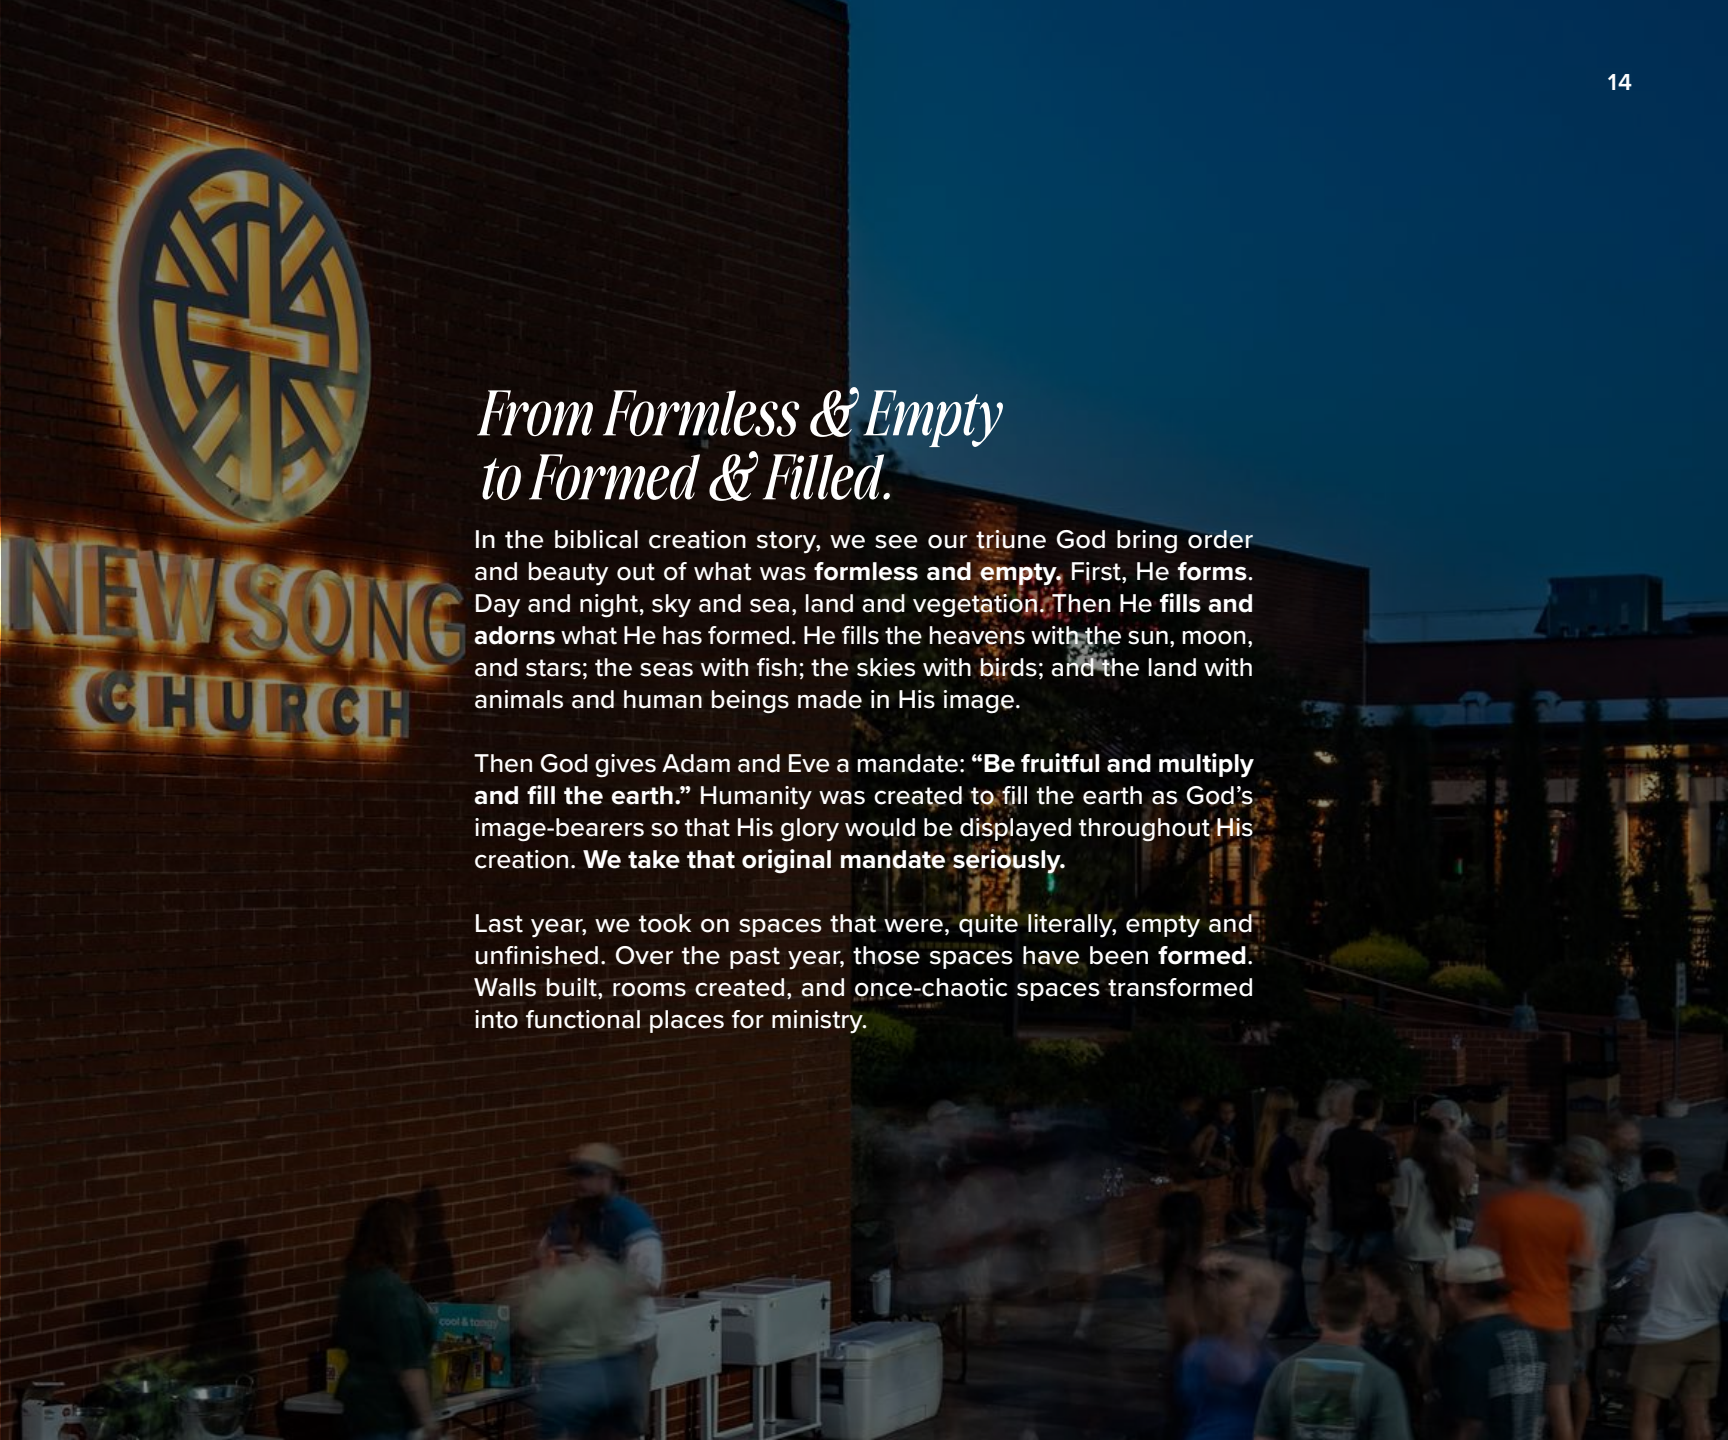

Missions & Outreach **fully funded.**

Sanctuary **expanded.**

Lobby **renovated.**

New **ministry** and **office spaces.**

Renovations **debt-free**.

From Formless & Empty to Formed & Filled.

In the biblical creation story, we see our triune God bring order and beauty out of what was **formless and empty.** First, He **forms**. Day and night, sky and sea, land and vegetation. Then He **fills and adorns** what He has formed. He fills the heavens with the sun, moon, and stars; the seas with fish; the skies with birds; and the land with animals and human beings made in His image.

Then God gives Adam and Eve a mandate: **"Be fruitful and multiply and fill the earth."** Humanity was created to fill the earth as God's image-bearers so that His glory would be displayed throughout His creation. **We take that original mandate seriously.**

Last year, we took on spaces that were, quite literally, empty and unfinished. Over the past year, those spaces have been **formed**. Walls built, rooms created, and once-chaotic spaces transformed into functional places for ministry.

LEADER

Now it's time to fill them.

Fill them with people.
Fill them with worship.
Fill them with discipleship.
Fill them with prayer, friendship,
teaching, laughter, and life.

And as we fill these spaces with people, we will also finish and adorn them; creating warm, welcoming, beautiful environments that serve the people who gather there.

The spaces have been formed.
Now, let's fill them.

J-High *Service*

Coming January 2027

Filling Commons 1.

We refuse to underestimate what God can do in the life of a young person. Middle school is not a waiting room. These are not throwaway years between childhood and high school. These are deeply formative years, years when young people are asking questions about **who they are, where they belong, what they believe, and who they are becoming.**

And we want the Church right in the middle of it.

At Seek & Send, Pastor Keithen challenged us: **"We should at least think of the potential of the young people around us to the degree that the Bible respects them."** We agree.

We believe middle schoolers **can know God. Hear His voice. Love His Word. Encounter His presence. Serve His Church. Live on mission. And become wholehearted disciples of Jesus right now.** So we want to give these years our attention, our investment, and our very best.

Beginning January 3, we will launch a brand-new Junior High Service for 6th–8th graders every Sunday during our 11:45 AM service.

Middle schoolers will begin in the sanctuary, worshiping alongside the whole church family. After worship, they'll be dismissed to **Commons 1 in the New Song Annex** for biblical teaching, community, fun, and intentional discipleship designed specifically for them.

Pastor Luke Morris will serve as our J-High Pastor, investing in these students and helping bridge the important years between New Song Kids and New Song Students.

We never want a middle schooler at New Song to feel like they are **in between ministries, overlooked, or waiting until they're older to really have a place.**

They have a place now.
They have a purpose now.
And God can use their lives now.

Last year, Commons 1 was an empty, unfinished room. Together, we **formed** it into a place for discipleship. And starting in January, we get to **fill** it with a generation we believe in. Young people opening their Bibles, encountering Jesus, building friendships, discovering their gifts, and learning to follow Him with their whole lives.

Deepen
Wednesday
Nights
Coming August 2027

Filling the Annex.

New Song Students has long deemed Wednesday **the best day of the week**. And Wednesdays are about to get even better. In the fall of 2027, we will launch **DEEPEN: Wednesday Discipleship at New Song**—one night each week set apart for the whole New Song family to grow deeper in Jesus.

Our Families Need More Time!
We live in a world that is constantly forming us.
Our kids are being formed.
Our students are being formed.
We are being formed.

Every day, voices compete for our attention and affection, telling us what matters, what to desire, who we are, and what makes a good life. And they have a lot of our time. American adults spend nearly **seven hours a day online.** Kids ages 8–12 average more than five hours a day with entertainment screen media and teenagers more than eight.

We can have a **vision** to become a people deeply formed in the way of Jesus. We can **intend** to disciple our children, strengthen our homes, know Scripture, and become more like Christ. But vision and intention need **means**—rhythms, practices, relationships, and time that form us into who we long to become.

Our families need more formative time.

VISION. INTENTION. MEANS.
DEEPEN is one of the means.

HERE AS IT IS
IN HEAVEN.
come to
urch!
We're so g
you're here!

Awana Clubs.

Ages 2 – 5th Grade

AWANA will give our kids an intentional place every week to build a foundation of faith through **biblical teaching, Scripture memory, trusted relationships, and fun.**

We want Scripture planted deeply in our kids while they are young. We want them surrounded by adults who know their names, pray for them, believe in them, and continually point them toward Jesus.

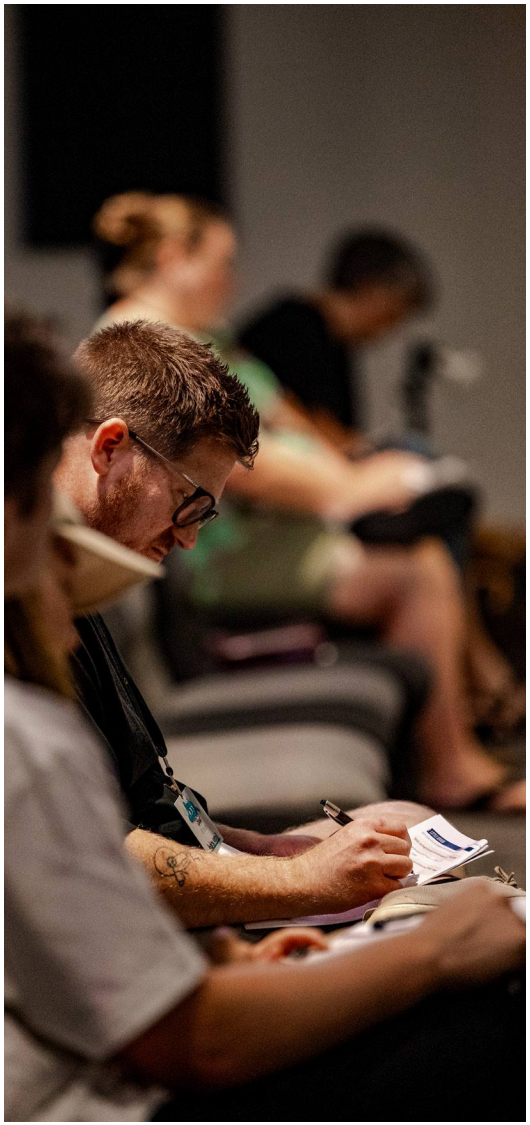

Nursery care will be provided for infants and one-year-olds while parents participate in DEEPEN Adult Discipleship.

New Song Students.

6th – 12th Grade

Wednesday nights will continue to be home for **New Song Students.** Students will gather throughout the year for **worship, biblical teaching, prayer, small groups, community, and meaningful relationships with leaders and one another.**

We aren't waiting for this generation to grow up before we take them seriously. **We believe God can form them, fill them with His Spirit, and use their lives right now.**

Adult Discipleship.

18 and Up

And if we want to raise a generation of disciples, **we have to keep becoming disciples ourselves.** Adults will choose from a rotating offering of environments designed to help us **know Jesus, understand His Word, practice His way, and live faithfully in the places He has called us.**

Discipleship Courses.

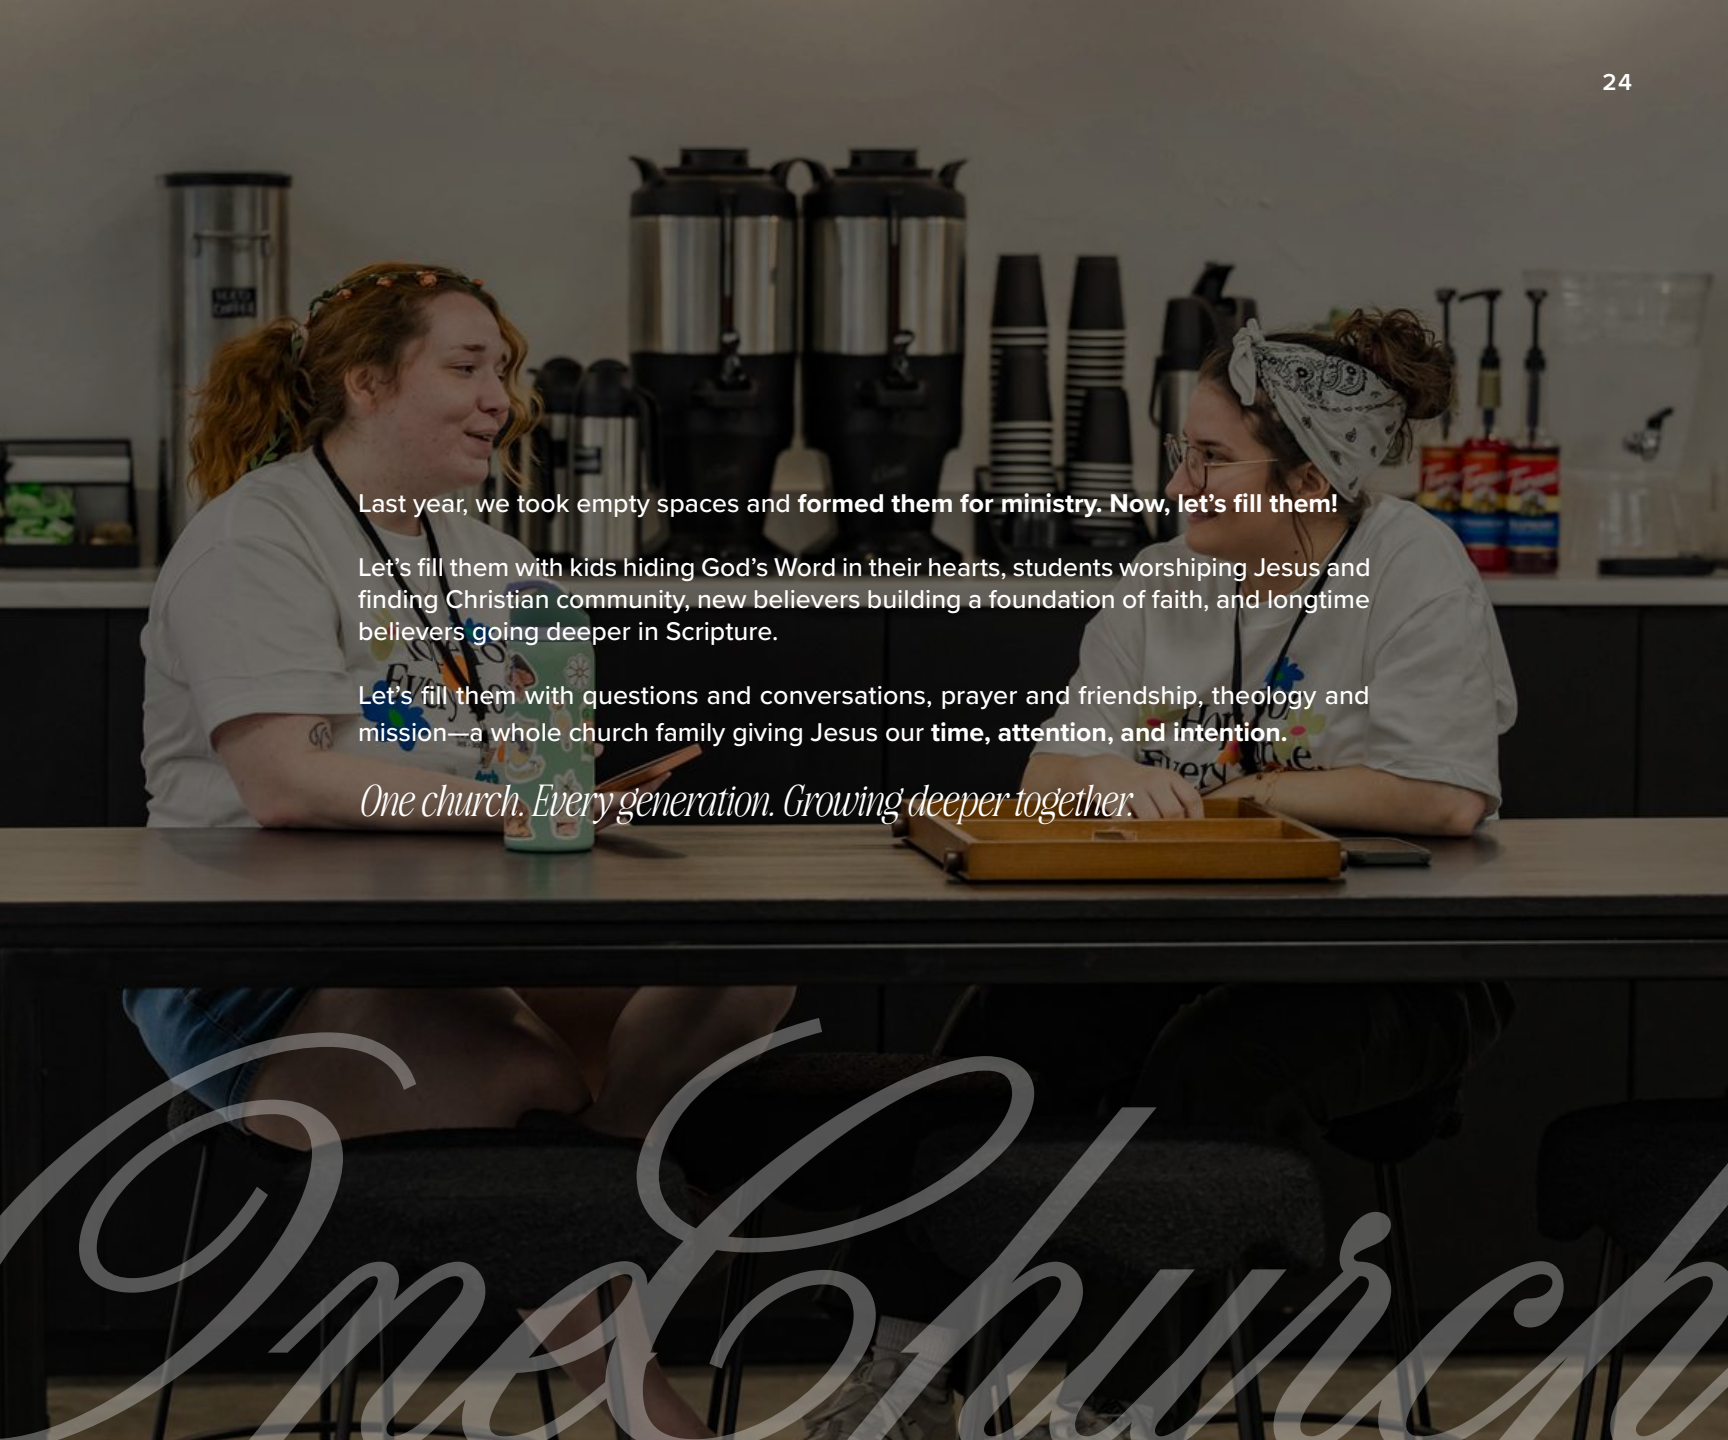

8-Week Courses

Eight-week courses will focus on foundational and practical areas of following Jesus, including **Alpha, New Believers, marriage, and biblical stewardship.**

Theology Tracks.

Semester-Long Tracks

These tracks will create room to go deeper in **Scripture, theology, calling, and Kingdom mission**—giving us time to study, ask questions, make connections across Scripture, and develop a biblical framework for the way we actually live.

Last year, we took empty spaces and **formed them for ministry. Now, let's fill them!**

Let's fill them with kids hiding God's Word in their hearts, students worshiping Jesus and finding Christian community, new believers building a foundation of faith, and longtime believers going deeper in Scripture.

Let's fill them with questions and conversations, prayer and friendship, theology and mission—a whole church family giving Jesus our **time, attention, and intention.**

One church. Every generation. Growing deeper together.

One Church

Commons *Two*

Forming the Next Space.

$231,585.00

Launching DEEPEN means that on Wednesday nights, **every generation of New Song will be in the building at the same time.** Kids will be gathering for AWANA. Students will continue filling the Sanctuary and Lobby. Adults will be spread throughout the Annex for Discipleship Courses and Theology Tracks. **We're going to need every room**.

When we expanded into the New Song Annex, our building owner included an additional **1,864 square feet of unfinished space** that will eventually become Commons 2. Originally, we expected to leave this room largely untouched while we focused our resources on the Sanctuary, Lobby, Commons 1, and our new office and ministry spaces.

But as construction progressed, the City required us to complete much of the infrastructure necessary to bring Commons 2 up to code, including **HVAC ductwork, fire suppression, and electrical work.** That meant doing more work and spending more money than we originally planned during Phase One. But it also means that **much of the large, expensive work required to prepare Commons 2 has already been completed and paid for.**

Through the additional **$169,804.35 our elders approved to finish Phase One, approximately $85,000 of work was completed in Commons 2**—including major infrastructure and code-related improvements that would otherwise have been part of this next phase.

Phase One finished the occupied Annex spaces while also completing much of the required infrastructure in the future Commons 2. The $231,585 investment will finish and furnish Commons 2, making it ready for ministry.

The bones are there.
Now we're ready to finish the room.

Our vision is to transform this unfinished space into **Commons 2**, a large, flexible, multipurpose environment that gives us the additional room DEEPEN needs while creating space for ministry all week long. Commons 2 will make room for **Adult Discipleship Courses and Theology Tracks, Young Adult gatherings, prayer sets, classes and training, leadership development, and ministry gatherings throughout the week.**

On Sundays, Commons 2 will increasingly feel like **J-High's place**—couches, lamps, comfortable seating, and warmth—while remaining flexible enough to serve as a classroom for DEEPEN on Wednesday nights.

Last year, much of the work was about **forming**—walls, ductwork, electrical, fire suppression, infrastructure. This next step is about finishing and **adorning** what has already been formed so that we can fill it with people.

Commons

Missions & Outreach

Missions & Outreach.

$50,000

At New Song, we are called to be a church that goes, gives, and sends. Through missions and outreach, we have the opportunity to **carry the Gospel beyond our walls, strengthen Kingdom relationships around the world, and reach people right here in our city.** These initiatives are an investment in answering the Great Commission, equipping those called to go, and making Jesus known among all people.

Sent Out Scholarships.

Missions

$4,000

New Song desires to be a sending church. Looking to 2027, **New Song is currently poised to send five missionaries from our own house into missions and ministry.** The Sent Out Scholarship exists to help those from our own house answer the call of God to go.

Romans 10 asks, **"How will anyone go and tell them without being sent?"** We want beautiful feet to leave this house carrying the Good News, with a church family praying, giving, and sending them into the harvest. May Christ be glorified in all the earth!

All People Project.

Missions

$2,500

The All People Project is New Song's homegrown missionary support program, created to come alongside missionaries with ongoing prayer, relationship, and financial support as they serve around the world. Today, New Song supports four missionaries through the All People Project: Ryan Farris (Australia: YWAM Sunshine Coast), Delaney Butler (Nashville, TN: Fire & Fragrance Nashville), and two additional missionaries in high-sensitivity ministry whose names are not published for their protection.

Each month, **our church sows into their faithful ministry as they serve within organizations carrying the Gospel into the places God has called them.** As New Song grows as a sending church, we know that for some, a yes to go becomes a life given to missionary service. **The All People Project gives us a way to continue sowing into missionaries serving for longer seasons**, including those sent from our own house through the Sent Out Scholarship.

New Song Network
Partner Support

$28,500

The New Song Network is a growing family of churches, leading missionaries, and ministries around the world with whom we are positioned to answer the call to be the hands and feet of Jesus. These are relationships we tend closely for long-term, broad-level Kingdom expansion. Each month, New Song hosts a Zoom gathering that brings our global partners together across nations for relationship, prayer, encouragement, and shared ministry. Throughout the year, those relationships continue through personal connection, mission teams, Impact Partner Trips, and ongoing financial support. Our prayer is that through the New Song Network, Jesus would receive His inheritance among the nations as missionaries are established, churches raise up disciples, ministries encounter the lost, and people across the world come to know Jesus as King.

Pray for the New Song Network

For our missionaries to find their feet ordered & established.

Ray & Megan Tavarez
OMF — Japan

Vitaly & Natasha Boxeneanu
The Woodall Foundation — Moldova & Ukraine

Jaco & Ashley Diederiks
Fire & Fragrance — South Africa

Tinaye Nyamuda with Harare
Theological College: Afri-Chatter — Zimbabwe

For our churches to shine as Christ's bride & make disciples.

Hellenic Christian Church — Greece

Peñasco Christian Fellowship — Mexico

Dream Center Esperanza — Puerto Rico

For our organizations to encounter the lost & present Jesus as King.

The Pearl House in Ghana

Empower Int. — Thailand, Myanmar, & Pakistan

May Jesus receive the full reward of His suffering, His inheritance among the nations, as every tribe, tongue, people, and nation learns to sing His new song!

Impact Partner Trips.

Missions

$10,000

The New Song Network is built on relationship, and relationship requires presence. Impact Partner Trips allow New Song leadership to go personally to our global partners outside of a traditional mission team. These trips create space to minister alongside leaders, be responsive in global Kingdom expansion, discern future partnerships, and lay groundwork for future New Song mission teams.

This investment gives us the ability not simply to send financial support from a distance, but to sit at tables, pray together, dream together, serve together, and faithfully steward the relationships God has placed in our hands.

Transportation Ministry.

Outreach

$5,000

This fall, **Transportation Ministry is launching at New Song, providing regular Sunday pickup for those we encounter through outreach who may otherwise have no way to come to church.** This $5,000 investment provides gas and a maintenance reserve as the ministry launches and grows. As relationships form and requests for rides continue to increase, we want to help remove the practical barriers between an invitation and someone's ability to say yes—creating a pathway from outreach into belonging in the life of our church family.

CityView OKC

Seed Offering

CityView OKC Seed Offering

$50,000

CityView OKC is a new nonprofit being launched by New Song Church to expand our capacity to serve our city. In 2027, Neighborhood Network Sports Outreach and Sojourners Refugee Ministry will move under CityView OKC's banner, giving these growing ministries a bigger house to build in and greater capacity to grow.

CityView OKC is rooted in **Romans 12:1: "In view of God's mercy,"** we offer our lives to Him as an act of worship. Because we have received the mercy of Jesus, **we want to learn to see our city with His view** - seeing neighborhoods, families, children, and communities not simply according to their needs, but according to His purposes for them.

Under the covering of New Song, CityView OKC will create greater capacity for believers, businesses, churches, and community partners to serve our city together—strengthening neighborhoods, building lasting relationships, meeting practical needs, and making the name of Jesus known.

New Song Answers will remain our church's Missions & Outreach ministry. New Song members will continue serving through Serve Saturdays and Go Week, with many of those opportunities now taking place through CityView OKC ministries. In this way, **CityView OKC expands the capacity of the outreach New Song is already doing while creating room for it to grow.**

This $50,000 seed offering will help CityView OKC launch strong, giving Neighborhood Network, Sojourners, and future programs the foundation and runway needed for sustainable, long-term impact. More capacity to serve. More room to build relationships. More opportunities to make Jesus known throughout our city.

May our lives be a living sacrifice, a story to be read, in view of His mercy and His love of this city!

Your generosity makes it possible to create space, expand ministry, and reach more people with the good news of Jesus.

Pray with us!

That we see more revival! That those who assume they know the gospel would truly grasp it and cross over from cultural Christianity into a living faith in Jesus *(Ephesians 2:4–5; 2 Corinthians 5:17)*.

- Pastor Josh

Pray for salvation and true church growth through “side door” ministries. As New Song meets needs and builds relationships throughout our city, pray that God would open doors for the gospel and the Holy Spirit would open eyes to see and believe, drawing many to faith in Christ. *(Colossians 4:3; 2 Corinthians 4:6; Acts 2:47)*

- Pastor Sarah

Pray that New Song would be a people marked by worship, prayer, and the presence of God, and that we would carry His presence into our homes, neighborhoods, and city. Pray that we would equip the next generation to know God and lead lives centered on His presence. *(Psalm 145:4; Isaiah 56:7; 1 Peter 2:9)*

- Pastor David, Worship & Prayer

Pray that New Song would be a church family that shares life's burdens and joys, opens our homes, and serves one another faithfully. Pray for the men of our church to lead with humility and faith, and for our homes to become places of prayer and hospitality. Ask God to help us recognize everyday opportunities to share the gospel, walk in wisdom toward unbelievers, and speak with grace so that our neighbors would see Jesus in us. *(Acts 2:46–47; Galatians 6:2; Matthew 5:16; Colossians 4:5–6)*

- Pastor Courtney, Connections & Community

Pray for the Bible to come alive to the next generation. That kids would love God’s Word and grow into resilient, lifelong disciples of Jesus. Pray for the Holy Spirit to prepare good soil in their hearts to receive and live out the truth. *(Luke 24:25; Matthew 13:23; Proverbs 2:6)*

- Pastor Kent, New Song Kids

Pray that New Song would be a church where people are truly known, loved, and cared for as they grow in Christ. Pray that we would carry one another's burdens and become mature disciples of Jesus who make disciples of others. *(John 13:34–35; Galatians 6:2; Ephesians 4:15–16; 2 Timothy 2:2)*

- Pastor Tonderai, Discipleship & Member Care

Pray that our Production and Creative teams would steward every gift, skill, and idea with excellence and humility, using creativity and technology to make Jesus clear. Pray that God would raise up artists, storytellers, and technical leaders who see their craft as ministry, and that through every creative expression, the Gospel would go far and wide and people would encounter the transforming power of Jesus. *(Exodus 35:31–35; 1 Peter 4:10–11; 2 Corinthians 4:5)*

- Pastor Casey, Production & Creative

Pray for disciple-makers to rise up in our city - a City on a Hill that cannot be hidden. Pray that, as we see ourselves in view of His mercy, our transformation would be expressed in humble, Christ-like, sacrificial mission. Ask God boldly to send more laborers into the harvest and make us bold in proclaiming Jesus. May He have His inheritance in our city, state, nation, and world. *(Matthew 5:14–16; Romans 12:1–2; Matthew 9:36–38; Acts 4:31; Psalm 2:8)*

- Pastor Ashley, Missions & Outreach

Pray that New Song Students would have the eyes of their hearts enlightened to know the love of Christ that surpasses knowledge, leading to an unending pursuit of knowing God. Pray especially for students who are already growing in the Lord to have hearts that say, "There is more." Pray they would recognize that we have not even begun to exhaust the depths of God's glory, and that this would produce humility and a lifelong hunger to keep seeking Jesus. *(Ephesians 1:18; 3:18–19; Philippians 3:8–10)*

- Pastor Jackson, New Song Students
